Information Points

Three information points (billboards) will be available:

- Near the Directoire Technique
- Near the entrance to the venue
- At the official hotel

Only fencers concerned, the referees, and the piste assistants will be allowed to enter the fencing area as defined by the barriers. Access to the fencing area will be subject to control by attendants.

Fencers who are in the fencing area are required to keep their equipment in a closed fencing bag at the end of the piste, and these must be removed straight away at the end of the match.

All fencers and referees are required to be present:

- for the pools on the piste 10 minutes before the start of the bouts
- for tableau of 64 on the piste 15 minutes before the start of the bouts

Attention: If it is possible, matches can start 5 minutes before the scheduled time.

Competitions

INDIVIDUAL

The information will be displayed:

At 3:00 p.m. on the evening before the competition:

- The list of fencers entered
- The FIE official ranking for the event
- The qualifying pools, including the timetable and piste number for each pool.

Pools

The pools, which are published the evening before the competition, will not be changed except in extraordinary circumstances. The pools must be exclusively of 7, or 6 & 7

Among the fencers entered, the top 16 of the FIE rankings are exempt from the preliminary round. (art. o.31.3)

In the case of one of the top 16 fencers entered not presenting him or herself at the event, their place in the tableau remains empty and the national federation of that fencer must pay the FIE a fine of €500. (art. 0.33.3)

After the round of pools, the top 16 fencers classified in the rankings (cf. o.19) are exempt from the preliminary tableau. In the case of 2 or more fencers being ranked equally at 16th place, these fencers must fight a barrage to 5 hits to determine who is placed in 16th place. (art. o.32.2)

Final table from 64 fencers:

- 16 exempt fencers
- 16 top ranked fencers from the qualification pools
- 32 fencers qualified from the preliminary tableau of qualification

There will be no verification of the fencers involved the night before the competition.

Confirmation of results

- **It is the responsibility of the fencers to ensure that the results of the pools and their direct elimination fights are recorded correctly.**

-
- To avoid any sort of error, the DT will publish the pool results and the list of qualifiers and eliminated fencers after the round of pools following the completion of all pools. The delegations have **5 minutes** to submit any disputes.
 - The tableau of direct elimination, with timetable and piste numbers will be displayed after the time of protest has expired.
 - **No calls will be made over the microphone for the pools and for the matches in the DE tableau for qualification or the tableau of 64 on the second day.**

Organization of the tableau of 32 through to the final

- **All fencers winning their matches in the tableau of 64 must go immediately to the weapons control in the call room.**
- Special places indicated by barriers designated for coaches will be found on each colored piste. The coaches may not leave this area except during the minute break.
- A specific protocol will be applied from the table 32, 16 and 8. Fencers (dressed in full fencing attire) and the referees will be escorted by volunteers from the call room to their respective pistes.
- The representative of the Weapon Control delivers the weapons in a fencing bag to volunteers who will join the fencers and referees when they are escorted to the colored pistes.

TEAMS

10:00 a.m – 12:00 (noon) - confirmation of the composition of the teams registered with the Directoire Technique.

2:00 p.m. publication of the:

- list of entered teams
- official FIE ranking for the competition in question
- direct elimination table of the team competition with schedules and pistes

Organization of the tableau of 32 through to the final

- **All the teams who win their last matches in the tableau of 16 must go immediately to the weapons control in the call room.**
- Special places indicated by barriers designated for teams will be found on each colored piste. The team members may not leave this area.
- A specific protocol will be applied from Table of 8.
- The representative of the Weapon Control delivers the weapons in a fencing bag to volunteers who will deliver them to the colored pistes.

PRESENTATION OF THE FINALISTS

- The 4 finalists will be presented on the piste to the public before the start of the semi-finals with their fencing credentials.
- The team finalists (3rd place match and final match) are presented to the public on the piste
- They will present themselves in full fencing attire, with a weapon in their hand.

-
- They salute the public with the guard to their chin.
 - The referees of the final are presented as well.
 - The awards ceremony (place 1-8 individual competition and place 1-3 team competition) will take place 5 minutes after the last final of the day.
