## Accommodation and Transfer

The Organising Committee has selected a number of hotels for the participants and guests of the World Championships. The selection criteria apart from quality of the hotels was distance (travelling time) between the official hotels and the venue. Our packages include breakfast and the shuttle bus system running on schedule during competition days plying the route from the official hotels to the venue and back. Lunch and/or dinner can be ordered for a surcharge.

The booking period started last November, a limited number of hotel rooms are still available at several properties.

For current room rates and individual offers, please contact the OC at [booking@2019budapest.com](mailto:booking@2019budapest.com)

Please, note that Budapest is one of the most popular tourist destinations in Europe and hotel rooms are selling fast for the event period.

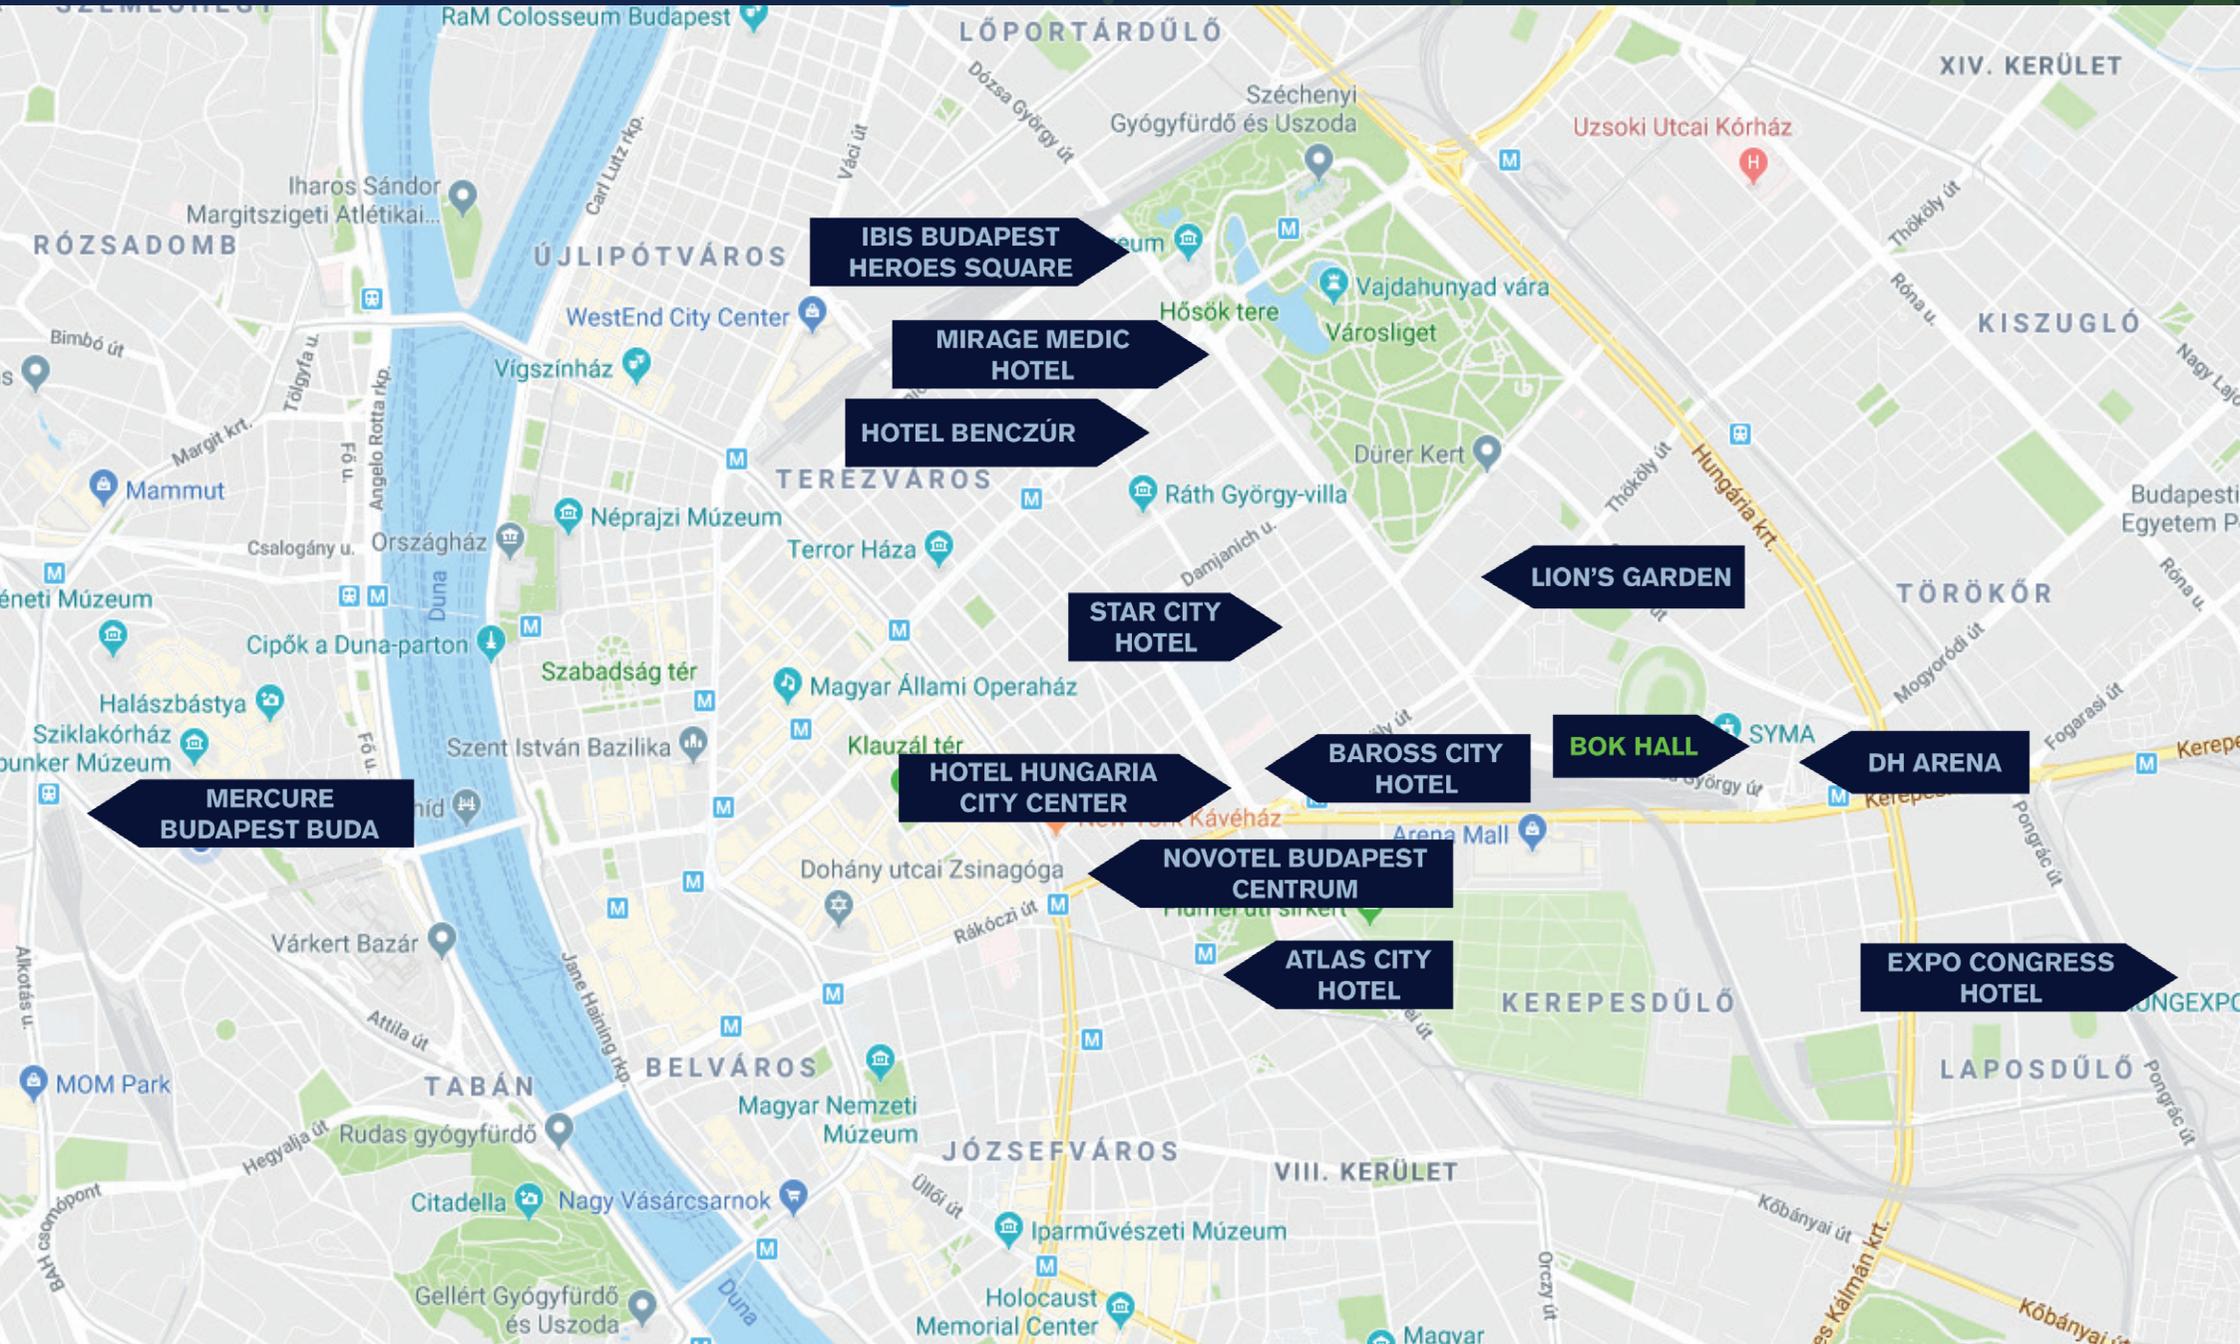

Reservation is subject to availability and will be allocated on a first-come, first-served basis, booking is highly recommended as soon as possible.

The official hotel selection can be found at [2019budapest.com/accommodation](http://2019budapest.com/accommodation)

Transportation between the airport and the official hotels can be booked by sending the Transfer Reservation Form to our colleague, as well.

All forms can be downloaded from [2019budapest.com/downloads](http://2019budapest.com/downloads)
