The image should be clear with no obstruction to seeing the person's full face and head. Hats, sunglasses, or any clothing above the neck is not permitted. The background should be white or light grey, without anything else in the photo. Hair should not cover the face (other than a beard, moustache, etc.).

Photos to be named as follows: Country code_Surname_Name_Status during competition.

12. COVID19 Specific Rules

- The competition will be organized in a “Bubble” system. “Bubble” is an umbrella term for the isolated Competition Venue, the Hotel and the buses involved in the transportation of the Delegations. Participants are not allowed to leave the “bubble” between arrival to and departure from the official hotels. Due to the followed Protocol’s epidemiological provisions, the probability of a COVID-19 infection is very low within this Bubble.
- No spectators will be allowed to the competition venue
- Every participant will be tested (PCR) for Covid-19 upon arrival to the hotel
- The test results will arrive within 12 hours from taking the test
- Until the test results arrive **participants are not allowed to leave their rooms** (room service for meals is available)
- Accreditation cards will only be given to participants that provided a negative test result
- **Participants are not allowed to leave the hotel or the competition venue.** Leaving without permission is considered as violation of the rules and will be penalized (exclusion from the event is possible). Official transfer buses will take participants to and from the hotel. No other means of transport is allowed!
- Any participant tested Positive to Covid-19 will not be authorized to take part in training or in the competition. The participant will be quarantined for 10 days in the official declared complementary hotel. The cost of the extended stay should be borne by the concerned national federation, or the participant themselves.
- In case a negative PCR test is required for participants to return home, the organizers provide this additional test before departure.
- The cost of PCR tests **will be covered from the subsidy of the FIE.**
- COVID-19 specific rules of the FIE apply to all participants, please read it carefully: https://static.fie.org/uploads/24/124713-FIE_outline_risk-mitig_Covid-19%20ang.pdf

Important reminder

- Fencers’ handshake at the end of bouts is replaced with a salute.
- Sharing equipment with another participant is not allowed.
- Screaming after the hit is scored is suspended until further notice.
- Rushing to the victorious fencer on the piste or after the fencer leaves the piste is suspended until further notice.
- Congratulatory hugging, kissing or handshakes are suspended until further notice.
- During rest periods, all people in the fencing piste area must maintain a distance of at least two meters from the fencer(s).
- Coaches are allowed to stay at 1 meter from the fencer but must wear a visor in addition to the facemask.
- A distance of 2 meters between participants must be applied.
- Fencers eliminated in the poule or the table, his/her coach and doctor, must leave the venue. Is not allowed to remain in the venue as a spectator.

We would like to remind and emphasize that according to the decision of the Executive Committee of the FIE the FIE and the competition organisers have put health protocols in place due to the COVID19 pandemic in order to protect participants as much as possible.

We are therefore relying on the cooperation, support and solidarity of all participants to help us in this crucial task, which is in everyone's interest. It is important to stress that any breach of the protocols will endanger the measures taken and the health of the other participants. As a result, the supervisor and the Executive Committee member, who will be present during the competitions, will ensure the health protocol is applied and, in the event of a breach, may impose the following penalties:

- **first breach: warning and withdrawal of FIE financial support (difference in price between a twin room and a single room and cost of PCR test);**
- **second breach or multiple breaches: exclusion from the competition with all associated consequences.**
