International Fencing Federation (FIE),  
National Fencing Federations – members of FIE

Dear Sir and Madam!

Ukrainian Fencing Federation address to FIE and to all National Fencing Federations with petition about following.

Due to the military attack of the Russian Federation on Ukraine, most fencers of Ukraine can not take part in international competitions. Those Ukrainian athletes, who were able to get to the venues of international competitions at this time, are forced to refuse to participate in bouts and matches with athletes and teams of the Russian Federation.

The Fencing Federation of Ukraine appeals to all national federations not to fence in competitions of any level with athletes and teams of the Russian Federation in support of peace in Ukraine.

The Fencing Federation of Ukraine appeals to all National Fencing Federations for support of a petition to the FIE and EFC leaders, namely Alisher Usmanov and Stanislav Pozdnyakov, to appeal by them, as citizens of the Russian Federation and leaders of international sports organizations, to leaderships of their country that military aggression against Ukraine leads to the disruption of the international fencing movement at all levels!

Dear Presidents of National Fencing Federations! If you agree with our petition, we ask you to send corresponding appeals to the address of FIE and publish them on your web-sites.

**The First Vice-President  
Of Ukrainian Fencing Federation**

**Sergiy MISHCHENKO**
