

# Invitation for the Danish Fencing Federations Summercamp 2022

All fencers of at least 9 years, are invited to take part in  
DFF's fencing summercamp 2022

The camp will take place in Kalundborg during week 30 from  
Monday July 25<sup>th</sup> 12.00 to Saturday July 30<sup>st</sup> 13.00

**About the camp:**

## **About the camp**

We have had many great experiences working with foreign clubs from all over Europe! This year as well, we are counting on significant participation from both national clubs and the international clubs, that we have seen the past years. It is possible to participate on foil, epee or sabre. We will of course make sure that the program will be exciting and full of surprises, aimed at giving the participants a great experience both socially and of course with respect to developing their fencing skillset.

Remember that we take pictures and videos during the camp and make an annual video that you can find in our closed facebookgroup:

## **Senior fencing**

The camp has traditionally been a children and youth camp but we are trying to expand it with a tracks for senior fencers. The senior track will embrace both high and low technical and physical levels, so both beginners and elite fencers will have the opportunity to develop and have a great camp.

## **Equipment repair class:**

This year we will once again host a small workshop aimed at teaching the participants basic skills for restoring damaged equipment. If you are interested in taking part in this, we recommend that you bring spare parts and damaged equipment to practice on.

## **Accommodation:**

Danhostel Kalundborg - Stadion Allé 5, 4400 Kalundborg. Map a map can be found later in this invitation.

If you would like to arrive a day early (on Sunday July 24<sup>th</sup>) please contact us on [dff@faegting.dk](mailto:dff@faegting.dk) to arrange this, at least 14 days before the camp. This will elicit an additional fee of 40 Euros, that can be paid in cash at the camp. Be aware that the room you are allotted for this night is not necessarily the same as you will have for the rest of the week and that no meals are included (although breakfast can be ordered for 10 euros from the hostel on the day on your own initiative).

## **Requirements for equipment:**

It is important that you bring all the equipment you need yourselves. We expect you to bring electric equipment, and reasonable amounts of spare equipment.

### Requirements for 12+:

Mask 1600 N, jacket and trousers 800 N, underplastron.

### For U12:

Mask 350 N, jacket and trousers 350 N.

## **Trainers**

We encourage clubs with participants to send trainers to accompany their fencers at the camp. This way we can make new acquaintances in the fencing community, and hopefully all learn from each other and grow in our role as trainers. Trainers from clubs with 4+ fencers will be allowed to participate at no cost for the entire camp. Please contact us to make an agreement, if your club is interested in sending a trainer.

## **Registration:**

The deadline for registration is Sunday June 20<sup>th</sup>. Remember to share the news with your club mates who you also want to come!

The registration is valid when we have received the filled in registration formula. We prefer payment up front if possible but can accept cash on arrival, see details below.
