GENOVA-ITALY

<https://www.europeischermagenova2025.com/en/>

The Organising Committee, which I have the privilege of chairing, is preparing to host the next European Fencing Championships in June 2025: an event of primary importance for this discipline, for Genoa, and for Liguria. My thanks and best wishes go to the participating federations, athletes, coaches, and delegates, as well as to the public who will attend the event, for a European Championships that will, for some, remain memorable.

Giuseppe Costa
President of COL

Cari Amici dell'Arma, Officials, and Honored Guests,

Welcome to Genova, this magnificent city of explorers and champions, for the 2024 European Fencing Championships. Our host city, with its proud maritime heritage and Renaissance spirit, provides the perfect teatro for Europe's finest fencers to display their artistry and prowess.

You're here because you embody the excellence of European fencing. Each of you carries not just your national colors, but the passion and tradition that keeps Europe at the heart of world fencing.

As this new Olympic cycle unfolds, your dreams of Los Angeles 2028 begin to take shape. The journey is long, but here in Genova, every touch, every bout brings you closer to that Olympic aspiration.

Together with our gracious hosts, the Federazione Italiana Scherma and the Local Organising Committee, we have prepared a championship worthy of your talent. From the historic venue to the technical precision of every detail, everything has been crafted to honor the art of fencing and serve you, our athletes.

To our champions: Your dedication has brought you to this moment. The countless hours in the sala di scherma, the sacrifices, the determination - this is your time to write your name in the storied history of European fencing. You stand at the heart of these championships because, indeed, fencing is for fencers.

May these championships exemplify the values that make our sport extraordinary – the excellence of technique, the respect for tradition, and the integrity of true athletes. Your mastery will inspire the next generation watching from both the tribuna and screens across Europe.

As the competitions begin in this splendid city, I wish you all success. May your blades dance with precision, your tactics be shrewd, and your spirits soar.

Forza! En garde, prêts, allez!
