

UIPM Pentathlon World Cup Budapest 2026 Welcome Information for Teams & Delegations

Dear Athletes, Coaches, Officials and Delegation Members,

On behalf of the Hungarian Modern Pentathlon Association, we warmly welcome you to Budapest for the UIPM Pentathlon World Cup. We are delighted to host the international pentathlon community once again and we hope your stay in Hungary will be both successful and enjoyable.

Please find below the most important operational and logistical information regarding the event.

OFFICIAL EVENT INFORMATION

All official event materials and operational updates will be continuously uploaded to the following platform:

<https://drive.google.com/drive/folders/1obfOcaXLCcbAQzvCyZ2FG7ihnrCJJyH?usp=sharing>

The platform will include competition schedules, training timetables, shuttle schedules, transportation information, Technical Meeting materials, venue maps and operational updates.

The same information will also be available on the official website of the Hungarian Modern Pentathlon Association:

<https://www.pentathlon.hu/2026wc3/>

AIRPORT TRANSFERS

Official airport transportation will be organised using minibuses and buses.

Participants will find the official meeting point outside the terminal building, clearly marked with event signage.

Depending on arrival schedules and transportation capacities, waiting times of up to approximately 1.5 hours may occasionally occur. We sincerely appreciate your patience and understanding, and we will do our very best to minimise waiting times for all delegations.

For delegations preferring individual transportation, we recommend using the Bolt mobile application.

Approximate transfer details:

- airport → city centre: approximately 30 minutes
- estimated cost: 30–40 EUR per car (up to 3 persons including luggage)

BOK SPORTS HALL ↔ SWIMMING VENUE TRANSPORTATION

Qualification Days:

Only one large shuttle bus will operate between the BOK Sports Hall and the swimming venue at the officially designated times. Transportation will be available for the competing athletes and for one coach per athlete only. All other delegation members will be able to reach the swimming venue on foot via the designated running course.

Semi-final & Final Days:

Minibus transportation will be organised for athletes and one coach per athlete.

The venues are also located within walking distance, approximately 10 minutes on foot, the red path will be open from 30 min. before the swimming starts and until 30 min. the swimming ends.

Running: 950m

Bus: 4 min.

SWIMMING TRAINING VENUE

Swimming training sessions will take place at the Ludovika Swimming Pool.

<https://share.google/Z9laWbTGkRIKb1ONl>

The venue can be reached from the official hotels as follows:

From AKEAH Verdi Hotel:

Walk: <https://maps.app.goo.gl/6eA365F3N9Fpreqv5>

Public transportation: <https://maps.app.goo.gl/1ZRDKZSZhELrUT67A>

From Tribe Stadium Hotel:

Walk: <https://maps.app.goo.gl/recEKaccQ7FgRP847>

Public transportation: <https://maps.app.goo.gl/smgafUpZ3nAESeAm6>

LOCAL TRANSPORTATION

Official shuttle buses will operate between the official hotels and the BOK Sports Hall according to the published transportation schedule. The bus stops will be in front of the hotels.

We also recommend downloading the BudapestGO mobile application for route planning, ticket purchasing and real-time transportation information, especially for participants who may wish to travel at times different from the official shuttle bus schedule. Public transportation in Budapest is reliable, safe and convenient, and the BOK Sports Hall can generally be reached within approximately 30–35 minutes from the official hotels.

Public transportation between the AKEAH Verdi hotel and the BOK Hall:

WEAPON CONTROL

Weapon control procedures will be conducted according to the official competition schedule. We kindly ask all athletes and coaches to arrive punctually with properly prepared equipment.

ICE & MEDICAL SERVICES

The competition venue will be fully air-conditioned during the entire event.

In case of injury or medical need, ice will be available through the official medical staff.
